

The Company

RLK Incorporated is a professional consulting firm that provides services for developers and communities throughout the Upper Midwest. Founded in 1991, RLK currently offers over 75 professional staff from offices located in Minnetonka, Ham Lake, Hibbing, Oakdale and Duluth. Our professional staff includes civil engineers, traffic engineers, surveyors, planners and landscape architects.

If you are developing land or reviewing the infrastructural needs of a community, RLK provides fiscally-responsible solutions to meet the needs of your project. Our experience allows us to provide clients with value-added insight for solving various infrastructure related challenges.

Services include:

- Land development consulting
- Site entitlement
- Concept and site planning
- Development and redevelopment planning and design
- Environmental permitting (EAW, EIS, AUAR)
- Public relations and government approvals
- Civil engineering
- Traffic engineering and transportation planning
- Landscape architecture
- Land surveying/construction staking, ALTA/ACSM surveys
- Municipal engineering
- Construction observation and administration
- Capital improvement planning
- Storm water management
- Street and utility design
- Wastewater and water system design
